About Event: On Saturday, July 13, 2024, Baroda High School (BHS), Danteshwar, hosted sensitization sessions for the Student Startup and Innovation Policy (SSIP) 2.0. The sessions aimed to introduce approximately 80 students from grades 9 to 11 (both English and Gujarati Medium) to these initiatives.

Sessions and Presenters

The program commenced at 9:00 am with opening remarks by the esteemed principals – Mrs. Sapna Bakshi (English Medium) and Mr. Dushiant Desai (Gujarati Medium). Ten faculty members also joined to support the event.

- The first session, focusing on ideation and innovation was led by Dr. Dharmendra Tawde. It provided students with a comprehensive understanding of the IIC's role in fostering innovation within the institution.
- Following a short break, Dr. Asha Joshi conducted the SSIP 2.0 session. This session enlightened students about the policy's benefits and how it can empower their entrepreneurial aspirations.

Event Coordination and Additional Engagement

Ms. Krupa Navlekar played a crucial role in coordinating the entire event, ensuring its smooth execution.

Furthermore, to provide a practical glimpse into innovation and entrepreneurship, Mr. Prashant Kumar, Coordinator of the ATL Lab, along with Ms. Krupa Navlekar, organized a post-session visit to the ATL Lab. This interactive session allowed students to engage with the lab's resources and gain valuable insights.

Overall, the sensitization sessions successfully introduced IIC and SSIP 2.0 to the students of Baroda High School, potentially sparking their interest in innovation and entrepreneurship.
