Government Engineering College, Gandhinagar Student Start-Up & Innovation Cell, In association with Entrepreneurship Development Institute of India, Gandhinagar, as a part of “ **Azadi ka Amrut Mahostav, & G-20 “ Vasudhev Kutumbakam” National Celebrations**, Organized a Seminar for undergraduate students on “**ENTREPRENEURSHIP AS A CAREER**” by **Dr. Prashant Saxena, Entrepreneurship Expert, EDII** during **24<sup>th</sup> February 2023** Time:- **11:00- 2:30 PM** at **Sir C.V.Raman Hall, Block No.1 , Admin Block, GEC, Gandhingar**

Welcome address and program briefing was given by **Prof.K.K.Acharya**, He briefed about the EDII organization and activities of the Institution for entrepreneurship development.

Then **Dr.P.K.Nanavati** introduced to the speaker.

**Dr. Prashant Saxena**, expert EDII Spoke about Entrepreneurial mindsets and how it sets entrepreneurship as a career option apart from others. He explained that beginning a career with an enterprise will not only expand knowledge in the selected field but will also broaden skills and ingenuity that is invaluable for career growth. The expert facilitated inspiring and inculcating the entrepreneurial spirit among the participants.

Dr. Saxena also clearly explained about the thin line difference between the Entrepreneurship & businessman.

After the talk was over, the session was opened for Q-A Session and during sessions a few students have interacted with the expert faculty as well.

The expert expressed invitation to the SSIP Cell members and students to visit the EDII campus for interaction and SSIP Mentor and team expressed their willingness for the same.

The Vote of Thanks was proposed by **Prof.P.K.Nanavati**.

The program ended at 1:00 p.m.
