SIP 2.0 Floating of Problem Statements for Solution Submission

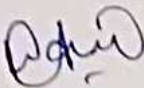

This is to inform all students that a **Floating of Problem Statements** session under the Student Startup and Innovation Policy (SSIP) 2.0 initiative will be held at Government Science College, Chhota Udepur. The event aims to present various problem statements for which students are invited to submit innovative solutions. The details of the session are as follows:

Date: 25th July 2024

- **Time:** 12:00 PM
- **Venue:** Meeting Hall, Government Science College, Chhota Udepur
- **Occasion:** SSIP 2.0 Initiative
- **Event:** Floating of Problem Statements for Solution Submission

The session will include the presentation of problem statements across different sectors, including technology, healthcare, environment, and social issues. Students will be invited to submit their innovative solutions to these problems.

We look forward to your active participation in this enlightening session. For any further details or inquiries, please contact the undersigned. Your presence is mandatory.
