SSIP 2.0 Idea Generation Workshop

We are pleased to announce that, under the Student Startup and Innovation Policy (SSIP) 2.0 initiative, an **Idea Generation Workshop** will be organized for all students of Government Science College, Chhota Udepur. This workshop aims to foster creativity and encourage students to think innovatively in solving real-world problems. The details of the workshop are as follows:

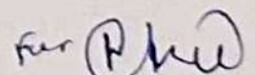

Date: 13th August 2024

- **Time:** 12:00 PM
- **Venue:** Meeting Hall, Government Science College, Chhota Udepur
- **Occasion:** SSIP 2.0 Initiative
- **Event:** Idea Generation Workshop for Students
- **Speakers for Event:** Principal: Nishant Parmar, Prof. Kishor Chaudhari and Dr. Nupoor Prasad

The Idea Generation Workshop is designed to help students explore creative problem-solving techniques and generate innovative ideas for potential projects or startups. The workshop will be **conducted by experts** in innovation and entrepreneurship, who will guide participants through various **ideation processes** and methods to help them develop unique and viable solutions.
