SSIP 2.0 Solution Submission on the Problem Statements Floated

It is hereby notified that under the Student Startup and Innovation Policy (SSIP) 2.0, a **Solution Submission Event** will be organized for the students of Government Science College, Chhota Udepur. The details of the event are as follows:

- **Date:** 29th August 2024
- **Time:** 12:00 PM
- **Venue:** Meeting Hall, Government Science College, Chhota Udepur
- **Occasion:** SSIP 2.0 Initiative
- **Event:** Solution Submission on the Problems Floated
-

Students are invited to submit their innovative solutions to the problem statements that were floated during the previous phases of SSIP 2.0. This event provides a platform for students to showcase their creative and practical approaches to addressing real-world challenges. An expert panel will assess the submitted solutions based on innovation, feasibility, scalability, and potential impact.
