I&E TRAINING & EXPOSURE VISIT

*Two-Day Immersive Visit to i-Hub Ahmedabad and Center of Excellence at LDCE,
Ahmedabad*

Dates: 13th August, 2024
14th August, 2024

**INSTITUTION'S
INNOVATION
COUNCIL**
(Ministry of Education Initiative)

About Visit

Two-day visit to iHub, Ahmedabad, and the Center of Excellence at LDCE, Ahmedabad, will be an enriching experience that provided valuable insights into cutting-edge innovation and technological advancements. At iHub, we will explore various startup initiatives and facilities designed to foster entrepreneurship, including co-working spaces and IP facilitation centers. The visit to the Center of Excellence at LDCE will offer a deep dive into advanced engineering solutions and state-of-the-art research being conducted in the field. This exposure will significantly broaden understanding of the ecosystem supporting innovation and excellence in Gujarat.

Schedule

Day 1: 13th August

11:00 AM – 11:05 AM

- Welcome Address
 - Brief introduction and welcome to all attendees.

11:05 AM – 11:20 AM

- Presentation on i-Hub
 - Overview of i-Hub's mission, vision, and key initiatives.

11:20 AM – 11:30 AM

- i-Hub Video Film
 - Screening of the i-Hub promotional video.

11:30 AM – 11:45 AM

- Presentation on Srujan Schemes
 - Detailed explanation of the Srujan Schemes and their impact.

11:45 AM – 12:00 PM

- Presentation on Co-working & IPFC Facilities
 - Information about the co-working spaces and Intellectual Property Facilitation Center (IPFC) at i-Hub.

12:00 PM – 12:50 PM

- Pitching Session of i-Hub Startups
 - Startups associated with i-Hub will present their projects and ideas.
 - Each startup gets approximately 8-10 minutes to present.

12:50 PM – 01:10 PM

- I-Hub Facilities Tour
 - Guided tour of the i-Hub facilities, showcasing various resources available to startups.

01:10 PM – 01:30 PM

- Group Picture & Snacks
 - Group photo session followed by light snacks and networking.

01:30 PM – 02:00 PM

- Lunch Break
 - Attendees can have lunch and interact informally.

02:00 PM – 03:30 PM

- Workshop/Interactive Session
 - Interactive workshop or session focusing on a specific theme related to entrepreneurship or innovation.

03:30 PM – 04:00 PM

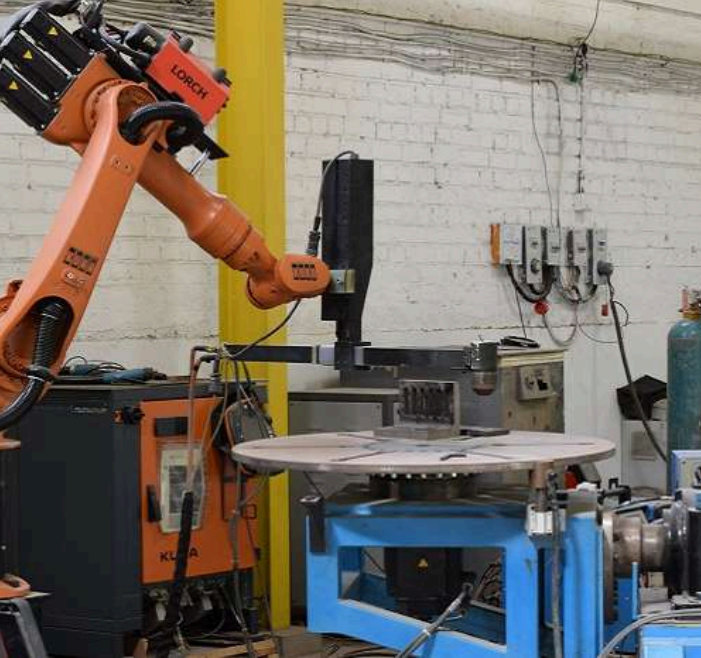

- Panel Discussion
 - Panel discussion with i-Hub mentors, or successful startup founders.

04:00 PM – 04:30 PM

- Q&A Session
 - Open floor for questions from the audience, answered by the speakers.

04:30 PM – 05:00 PM

- Closing Remarks & Networking
 - Summing up the day's activities, followed by an informal networking session.

About Visit

visit to the Center of Excellence (CoE) in Welding at LDCE, Ahmedabad, is an exciting opportunity to delve into the latest advancements in welding technology. This visit aims to provide us with hands-on experience and insights into cutting-edge welding processes, techniques, and industry applications. We will explore the state-of-the-art facilities, engage with industry experts, and participate in interactive workshops designed to enhance our practical skills. The CoE's commitment to innovation and excellence in welding makes it an ideal platform for learning and professional growth. This visit is poised to significantly enrich our understanding of the evolving field of welding.

Schedule

Day 2: 14th August

09:00 AM – 09:30 AM: Welcome and Introduction

- Brief overview of the CoE Welding facilities and objectives of the visit.

09:30 AM – 10:30 AM: Facility Tour

- Guided tour of the CoE Welding labs and workshops.
- Introduction to the advanced welding technologies and equipment available.

10:30 AM – 11:00 AM: Presentation on Welding Technologies

- Detailed presentation on the latest welding techniques and innovations.
- Discussion on industry applications and case studies.

11:00 AM – 11:15 AM: Tea Break

11:15 AM – 12:30 PM: Hands-on Demonstration

- Live demonstration of welding processes, including MIG, TIG, and robotic welding.
- Participants can observe and engage in discussions with the experts.

12:30 PM – 01:30 PM: Lunch Break

01:30 PM – 03:00 PM: Interactive Workshop

- Hands-on workshop where participants can try basic welding techniques under supervision.
- Focus on safety protocols and best practices in welding.

03:00 PM – 03:15 PM: Tea Break

03:15 PM – 04:30 PM: Case Study Discussion

- Group discussion on real-world welding challenges and problem-solving strategies.
- Sharing of experiences and solutions by industry experts.

04:30 PM – 05:00 PM: Q&A Session and Wrap-up

- Open floor for questions and feedback.
