**Date:** 20/04/2024

**Venue/ Mode:** Offline, at IIIT Vadodara Campus

**No of Participants:** 75 -

**Speakers Name :** Ashish Patel

### About Event:

Under the auspices of the SSIP Cell at IIIT Vadodara, a highly engaging session titled "Unlocking Innovation: A Workshop on Ideation and Problem Statement Formulation" was held. This workshop aimed to inspire and guide participants through the essential processes of ideation and problem statement formulation—key elements in the journey of innovation and entrepreneurship.

### Outcome of Event:

The workshop was a resounding success, providing participants with the tools and confidence needed to embark on their own innovation journeys. It reinforced the role of ideation and problem statement formulation as foundational steps in developing impactful solutions and underscored the SSIP Cell's commitment to fostering innovation at IIIT Vadodara.
