Student Notice

We are excited to announce the Idea Hackathon on 04/09/2024 (Wednesday) at GSC Varachha under SSIP for all the students (F.Y., S.Y. and T.Y.). This is an incredible opportunity for you to showcase your innovative ideas, collaborate with fellow students, and gain hands-on experience in problem-solving and entrepreneurship. An Idea Hackathon is an event where participants come together to brainstorm and develop creative solutions to real-world problems. It is a platform to turn your ideas into actionable plans, and potentially, into viable projects.
