

# GOVERNMENT ENGINEERING COLLEGE – DAHOD

On the occasion of

## NATIONAL SPACE DAY

IIC & SSIP 2.0 - Cell  
Organizes a seminar on

## 'ISRO'S SPACE ACHIEVEMENTS'

(23-08-2024)

The Government of India has declared August 23<sup>rd</sup> of every year “National Space Day” to commemorate the success of the Chandrayan-3 mission, which accomplished the safe and soft landing of Vikram lander at “Shiv Shakti” point and the deployment of Pragyaa Rover on the lunar surface on August 23, 2023. Being the maiden National Space Day, it is proposed to organise widespread celebrations throughout the country in the month of August 2024. The objective is to engage and inspire the youth of the nation towards space technology and its applications. The proposed theme for the National Space Day 2024 is “Touching lives while Touching the Moon: India’s Space Saga.” Government Engineering College, Dahod is organizing a seminar on ‘ISRO’s Space achievements’. So all the students are informed to register for the program and attend the same.
