## ABOUT SHRI RAMKRISHNA SEVA MANDAL

Late Shri G. S. Patel, also known as Vakil Saheb, established Shri Ramkrishna Seva Mandal with the motto of "Bahujan Hitay, Bahujan Sukhay" on August 15, 1954, adopting the principle of Shri Ramkrishna Paramhans and his ardent disciple Swami- Vivekanand. In the past 69 years, SRKSM has reached three significant milestones. First milestone was establishment of Matrumangalam-a family welfare centre, Orthopaedic Hospital, Centre for Maternity and Gynaecological Services, and Anand Hospital equipped with the most up-to-date equipment and ambulance services in the Anand and nearby areas. The second milestone was the founding of Anand Arts College in 1963, which marked its footprints in the area of education followed by various grant-in-aid institution. Also, to support the elderly and those in need, SRKSM established Anand Dham in Lambhvel with contemporary amenities and infrastructure. The third milestone was achieved with the establishment of first SRKSM self- financed Institute, Anand Pharmacy College in 1998. Since then, numerous graduate and postgraduate institutions were established of which majority are accredited. The trust today has cutting edge teaching and learning systems, contemporary infrastructure, and facilities with around 27 institutes and more than 20,000 students, teachers, and support staff.

## ABOUT ANAND INSTITUTE OF MANAGEMENT AND INFORMATION SCIENCE

Anand Institute of Management and Information Science, run and managed by Shri Ramkrishna Seva Mandal, has roots in Anand Institute of Management and Anand Institute of Information Science. Anand Institute of Information Science , running MCA programme was established in 2001 while Anand Institute of Management, running MBA Programme, was set up in 2004. Initially, both the institutes were affiliated to Sardar Patel University. Later in 2009, both the institutes got affiliated to Gujarat Technological University (GTU), a university established by Government of Gujarat.

In the Year 2021, both these institutes were merged in to a single entity i.e. Anand Institute of Management and Information Science. Since MBA and MCA, both are technical programmes and offer the opportunities for cross functional expertise in the field of management and information technology, the merger is in the interest of all the stakeholders of both the institutes. The institute will achieve newer heights in the times to come by leveraging the best teaching-learning practices and creating the culture of education, innovation and research.
