

# GOVERNMENT POLYTECHNIC NAVSARI

## EDC/SSIP

Date: 30-09-2024

### Event: EXPERT LECTURE ON ENTREPRENEURSHIP DEVELOPMENT

#### Report on ENTREPRENEURSHIP DEVELOPMENT

**Venue:** Electrical department, Government Polytechnic Navsari

**Date:** 30-09-2024

**Expert:** Dr. Harshal G. Vashi

**Venue:** Electrical Department, Government Polytechnic Navsari

#### **Introduction**

On September 30, 2024, the Electrical Department of Government Polytechnic Navsari hosted an insightful expert lecture on **Entrepreneurship Development**. The session was conducted by Dr. Harshal G. Vashi, a distinguished expert in the field.

#### **Overview of the Lecture**

Dr. Vashi began the lecture by defining entrepreneurship as the process of designing, launching, and running a new business, which is often initially a small business. He emphasized that the individuals who create these businesses are known as entrepreneurs.

#### **Key Points Discussed**

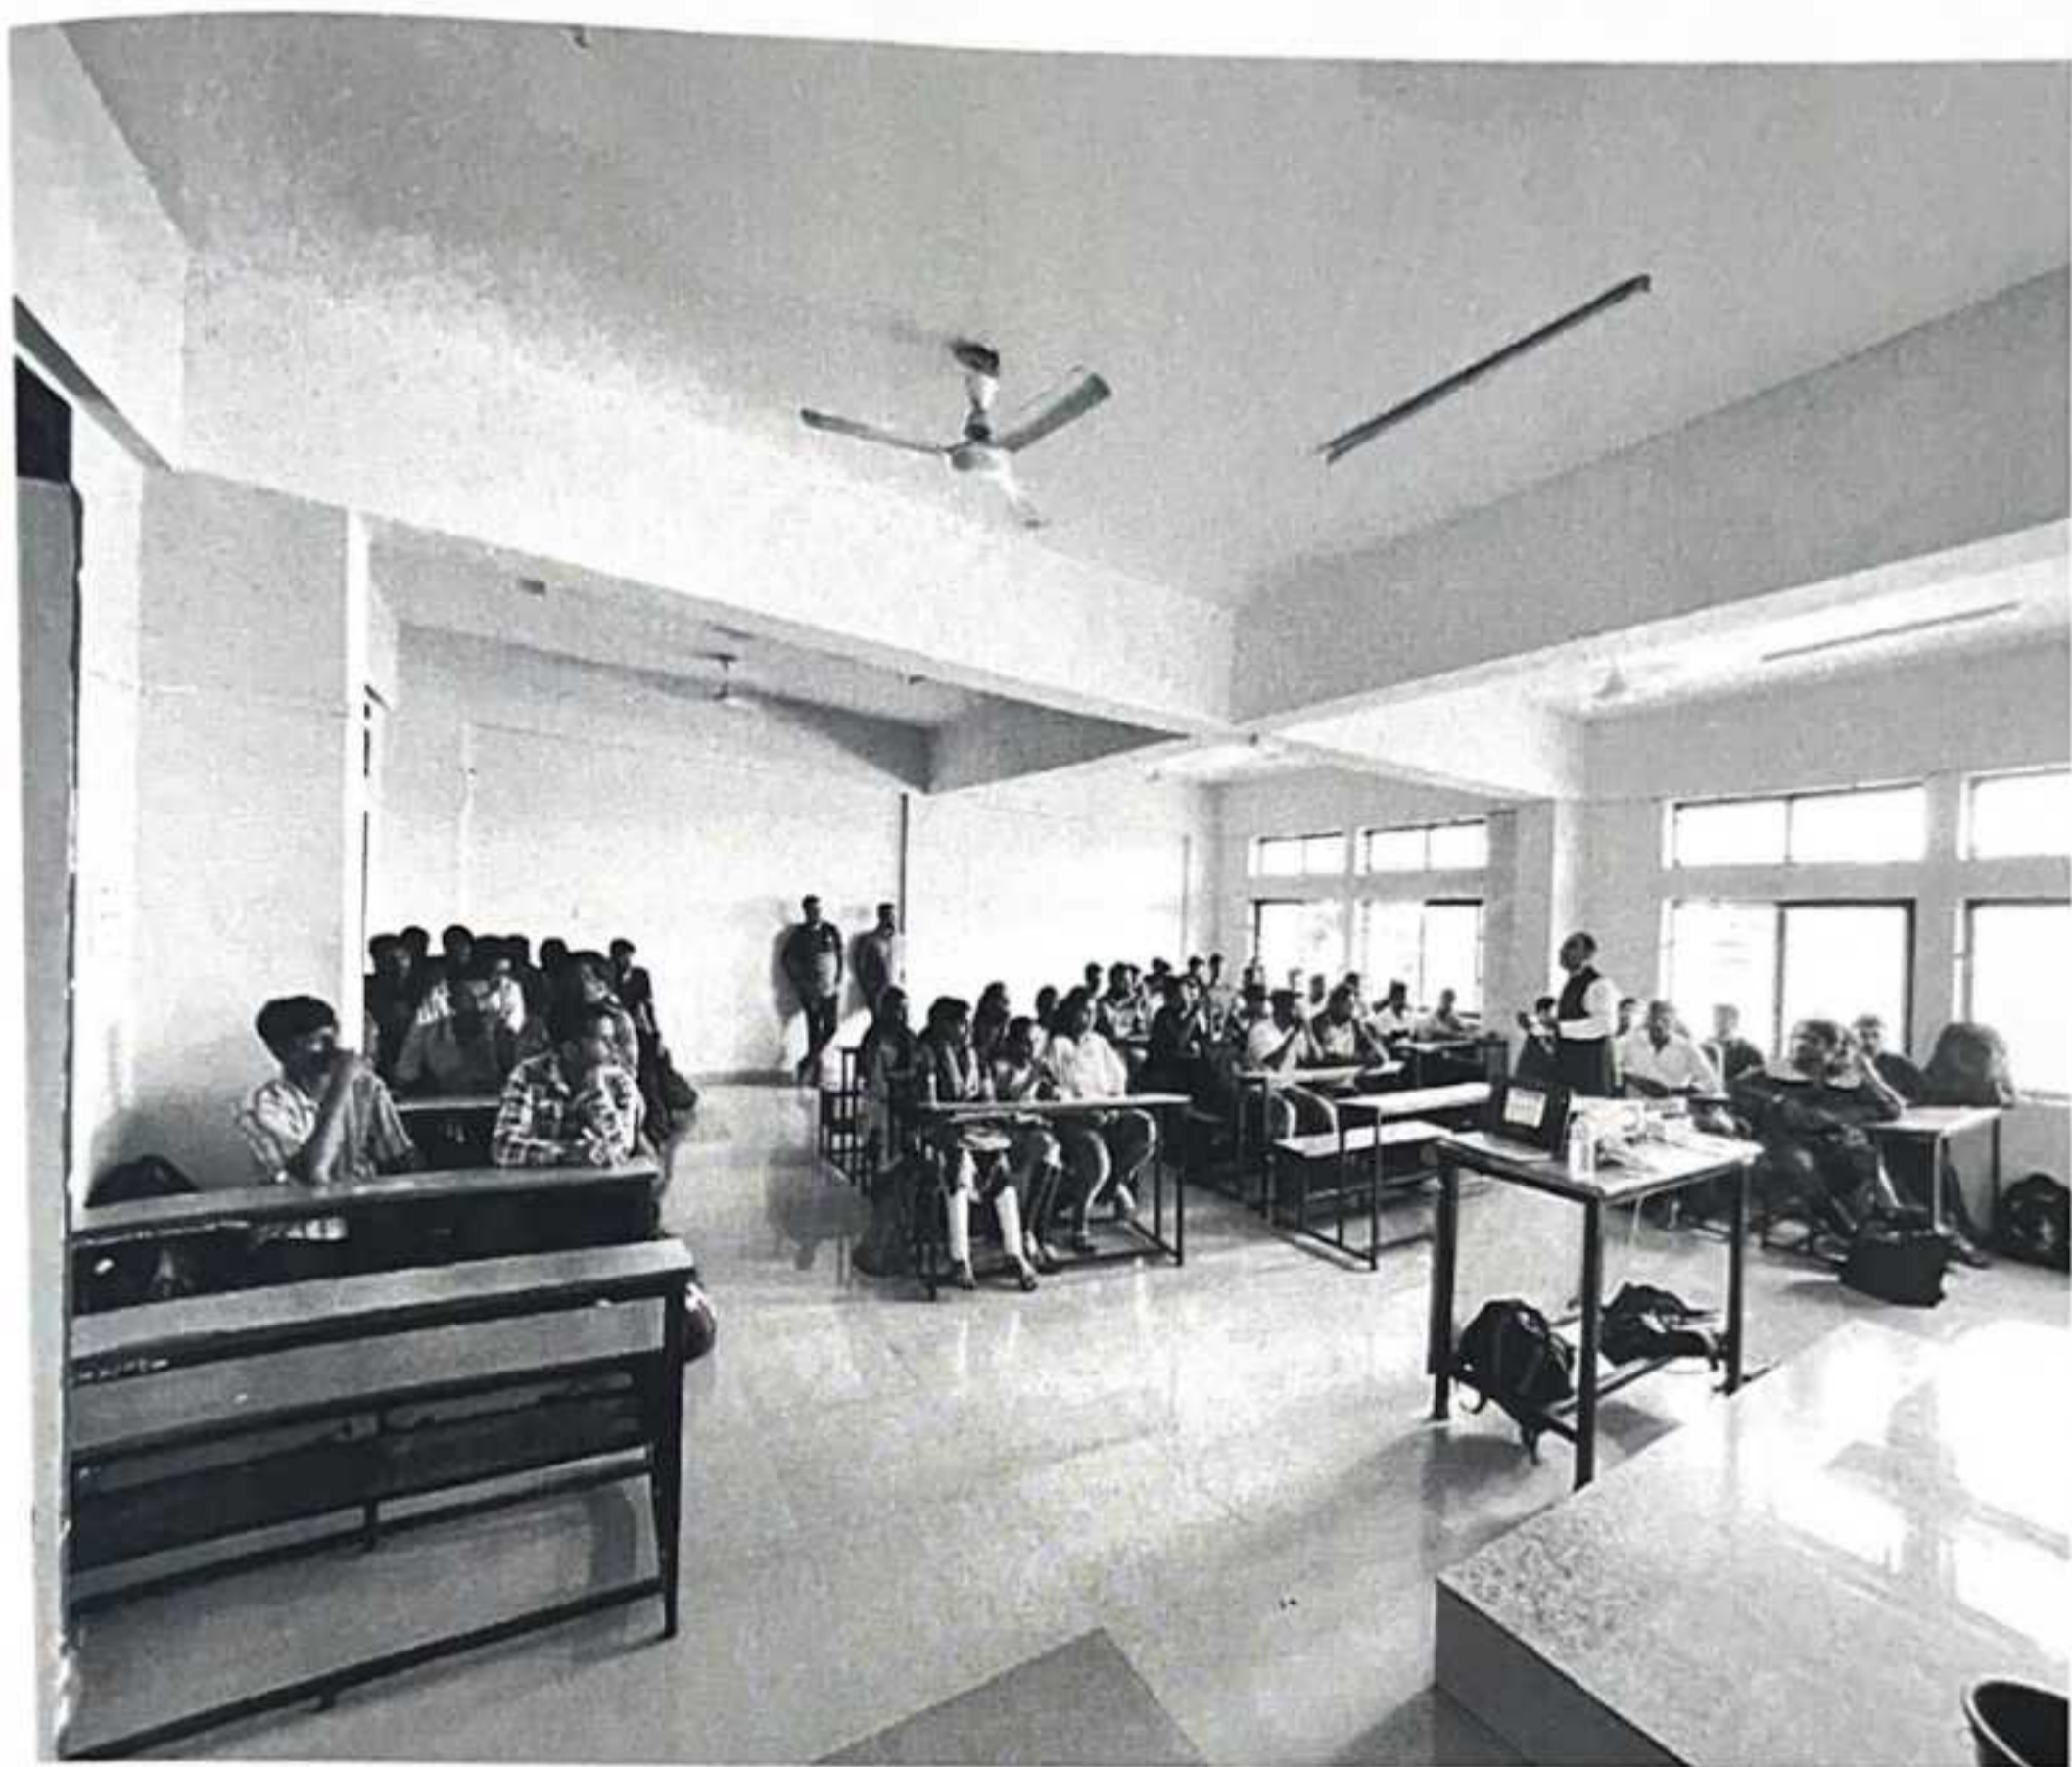

1. **Innovative Idea:** Dr. Vashi highlighted that at the core of every successful entrepreneurial venture is an innovative idea. This idea addresses a gap in the market or offers a new solution to an existing problem.
2. **Risk-Taking:** He explained that entrepreneurs must be willing to take calculated risks, involving financial investment, time, and effort, with no guaranteed success.
3. **Business Planning:** The importance of a well-thought-out business plan was stressed. This plan should outline the business model, target market, financial projections, and strategies for growth.
4. **Resource Management:** Efficient management of resources, including capital, human resources, and technology, is vital for the sustainability of the business.
5. **Adaptability:** Dr. Vashi discussed the necessity of being adaptable to changing market conditions and consumer preferences for long-term success.
