Notice

We are excited to announce an **Idea Hackathon** on **1st October 2024 at 12 p.m.** The event will focus on **Sustainable Agriculture** as the main theme, but students are encouraged to bring their own ideas on various themes of their choice.

This Hackathon is an opportunity for students to engage in a brainstorming activity where they will identify problems in different sectors and collaborate to find innovative solutions. Participants will be divided into teams and tasked with analysing real-world problems, proposing solutions, and developing strategies to translate these ideas into market-ready projects.

Event Details:

- **Date:** 1st October 2024
- **Time:** 12:00 p.m.
- **Venue:** College Meeting Hall

Key Highlights:

- Collaborative brainstorming sessions.
- Problem-solving in teams.
- Pathways to market implementation of solutions.

Participation is open to all students. We encourage you to take this opportunity to contribute your creative ideas and be a part of this innovative journey.

For further details, you can contact Dr. Nupoor Prasad.

Join us to turn your ideas into impact!
