On November 22, 2024, Gujarat Technological University (GTU) organized a workshop entitled “IP & Tech Transfer” in collaboration with the Ministry of Education's Innovation Cell, Government of India. The GTU- Intellectual Property Facilitation Centre (IPFC) and DPIIT SPRIHA IPR Chair felicitated the event aimed to enhance the regional innovation and entrepreneurship ecosystem by bringing together higher education institutions (HEIs) and industry stakeholders. With a focus on creating synergies between academia and industry, the workshop provided a valuable platform for participants to discuss best practices and approaches to technology transfer.

Dr. Kshipra Chauhan, Incharge IPFC, introduced the relevance of the IPR awareness and welcomed the dignitaries. The workshop commenced with an informative session by Mr. Abhishek Ranjan, Innovation Officer, Ministry of Education's Innovation Cell (MIC), AICTE. He emphasized upon the critical role of intellectual property in driving innovation and commercial success. He highlighted several schemes for startups and innovators provided by MoE for supporting the IP rights and generation of new IP. Similarly, Shri Shyamsundar S, Innovation Manager, Ahmedabad Innovation Centre provided valuable insights into government initiatives and support available for innovators, encouraging participants to actively engage in the commercialization of their research and inventions.

In addition to expert insights, a total of 8 IP (Design and Patents) with Technology Readiness Levels (TRL) 4 and above were showcased by 6 individual innovators.. The innovators gained valuable input from technical expert prof. (Dr.) Shiv Kant Shukla, Dean Academics Kaushalya University, Ahmedabad for securing tech transfer for the presented IP.

The session was concluded with a vote of thanks by Dr. Kshipra Chauhan, wherein she expressed her gratitude to experts and MoE for organizing critical and informative workshop for HEIs innovators to showcase their respective IP and explore the commercialization opportunity. She also extended thanks to the honorable Vice Chancellor of GTU, Dr. Rajul K. Gajjar for promoting the IP and tech transfer ecosystem in the university. She expressed her gratitude towards the Registrar, Dr. K. N. Kher for providing a supportive platform for IP generation and protection in the university. She also expressed her gratitude to DPIIT- SPRIHA IPR Chair Prof. Dr. Rajesh Thakker to be instrumental in the organization of the workshop and appreciated the efforts of Ms. Jalpa Kadikar (RA1), Ms. Sonupriya Roy (RA2, DPIIT-SPRIHA-IPR) for the program's success.
