18th October, 2024

Minutes of the Meeting of IPR Project Screening
held on 18th October 2024, Friday

On 18 October 2024, GTU-IPFC organized IPR proposal screening under Patent Clinic activity. This event was organized in collaboration with SPRIHA (DPIIT), TISC- WIPO, GIC, SSIP and DIC. The screening was organized to allocate SSIP IPR grant support available at GTU for filing the IPRs in pharmacy and applied sciences applications which were excluded from 13th September 2024 screening as per the DIC IPR grant guidelines.

GTU- IPFC will extend the support as listed below for following types of IPR filing from SSIP-GTU budget 2024

- Complete Specification: up to 75,000
- Design: up to 9,000
- Trademarks: up to 12,500
- Copyrights: up to 8,000

Following screening committee members attended and evaluated the IPR filing proposals:

Sr No.	Member Name	Designation
1	Dr. R. A. Thakker	IPR Chair Professor
2	Ravi B. Patel	Assistant Professor, Graduate School of Pharmacy, Gujarat Technological University
3	Saumil A. Shah	IP Professional
4	Yashvi Khatri	Patent Agent and Consultant

A total of 34 projects were registered from the pharmacy and applied science domain. At the time of screening, 09 applicants were present and proposed a total of 09 projects for IPR filing. Out of those 09 Projects, 03 Projects were selected for IPR filing support from SSIP grant.
