

## **Report on “Student Startup Research and Innovation Festival (SSRIP)” awareness program organized by SSIP Cell G. P. Waghai on 14/10/2022**

In accordance with the Student Startup and Innovation Policy (SSIP 2.0) developed by the Education Department, Government of Gujarat and funded by the MHRD, the Government Polytechnic, Waghai-Dang hosted an awareness festival on “**Student Startup Research and Innovation Festival (SSRIP)**” under **Azadi ka Amrut Mahotsav**. The guidance of **Prof. Hilesh R. Chaudhari** *Incharge principal (Head of Mechanical engineering department)* and **Dr. Prof. Chandrashekhar.L. Gamit** *Lecturer in Physics Science and Humanities department, (Government polytechnic Waghai-Dang), Gujarat* for inculcating the awareness festival about *SSRIP for (SSIP 2.0)*.

On the 14th of October, 2022, an awareness festival was held at the Government Polytechnic in Waghai-Dang at Civil Drawing hall first floor from 1:00 p.m. until 02:30 p.m. Our Institute's students and faculty were the intended audiences. The target audience was the students and faculty of our Institute. More than 70 students attended the awareness festival along with the faculty members of every department.

**Prof. Hilesh R. Chaudhari** *Incharge principal (Head of Mechanical engineering department)* and **Dr. Prof. Chandrashekhar.L. Gamit** *Lecturer in Physics Science and Humanities department, (Government polytechnic Waghai-Dang), Gujarat*, and as a **Guest Speaker Anilbhai B Patel Senior Lecturer DIET- Waghai The Dang** has conducted this awareness festival talk. **Mr.Dr. Chandrashekhar.L. Gamit, SSIP Coordinator** welcomed the students and faculty of our Institute the students and motivated them about the new policy SSIP 2.0.

**Anilbhai B Patel Senior Lecturer DIET- Waghai The Dang** was the session's guest speaker. He began his speech by emphasizing the importance of research and Innovation Ideas. He also went over the fundamentals of Innovation. Furthermore, he explained the function of the project for innovations and entrepreneurs using very good examples, and he also discussed based on successful tales of the innovation fair project in the dang district. In the end, he briefly described alternative mechanisms for the Innovation ideas for project and research areas. The Program was extremely beneficial to pupils since it made them aware of the significance of the mechanisms for the SSRIP. The Program concluded with a dialogue between the speaker and the current students and faculty.

## **About the Awareness Festival: -**

**Dr. Prof. Chandrashekhar.L. Gamit** *Lecturer in Physics Science and Humanities department, (Government polytechnic Waghai-Dang), Gujarat* was addressing the students about Student Startup and Innovation Policy. **Anilbhai B Patel Senior Lecturer DIET- Waghai The Dang** he began his presentation by discussing the details of the Student startups. He also discussed the significance of idea-driven innovation and startup projects. He also discussed based on success stories of innovation-based projects at the science fair of the dang district during his presentation of the ideas-based startup project. With the help of the SSRIP Project, students were strongly pushed to turn any unique ideas into enterprises.

After that, he explained for Initiatives to support innovation by the Gujarat government. Relevant questions are being asked by students and faculty representatives. The speaker provided them with well-founded responses. The exchanges were quite relevant and meaningful. This expert explanation would be beneficial to the audience. At the conclusion of the program, there was great interaction between the students and Faculties and a few students inquired about future guidance for startups and the Innovations Project.

Finally, the expert discussion was extremely beneficial and pertinent to the students and faculty members. The SSIP Cell will make every effort to schedule various related topics at regular intervals so that students can develop holistically. Lastly, we also thank to our Honorable **Prof. Hilesh R. Chaudhari** *Incharge principal (Head of the Mechanical engineering department)* for motivating pupils to participate more and more in the current scenario. **Mr.Dr. Chandrashekhar.L. Gamit, SSIP Coordinator, Mrs. Mallika B Patel NSS coordinator,** and Institute Staff Members organized this event according to the given schedule.
