**About Event:**

As part of the initiatives under the Student Startup and Innovation Policy (SSIP) 2.0, the SSIP committee of Government Arts College, Shahera, organized Workshop on SSIP 2.0 and Problem Solving to foster innovation and entrepreneurship among students. The event aimed to encourage students to explore innovative ideas and utilize the resources provided under SSIP 2.0. The program was led by Dr. Kiransinh Rajput, whose expertise and insights inspired the attendees. The event was graced by the presence of our respected Principal, Dr. Jayshree P. Joshi, faculty members, and a significant number of students.

1. To create awareness about the Student Startup and Innovation Policy (SSIP) 2.0.
2. To encourage students to think innovatively and explore entrepreneurial opportunities.
3. To provide insights into the facilities, mentorship, and resources available under SSIP 2.0
4. To sensitize students to the importance of startups in economic and social growth.

**Program Schedule**

1. Interactive Session on Startups and Innovation: Dr. Kiransinh Rajput conducted an engaging session linking RUSA's vocational course on graphic design with innovative entrepreneurial ventures. The session highlighted how students could transform their skills into practical business models, such as info graphic advertising and branding local village products from Panchmahal. Real-life examples were used to show how design and innovation can create sustainable ventures. The session concluded with a formal vote of thanks delivered by Prof. Urvik Patel.
