## DEPARTMENT OF COMPUTER ENGINEERING

### A REPORT ON

## **“Innovative Ideas To Create Awareness On Drug De-Addiction Programme”**

**DATE: 06/03/2023**

Computer Engineering Department has organized a seminar on the **“Innovative Ideas To Create Awareness On Drug De-Addiction Programme”** at Vivekanand Hall under SSIP. The students of different departments were present in this seminar. First of all, Speaker introduced herself and the motto of her organization that works under the government of India. Later, she explained to students, how at a young age people get addicted to drugs & lost their careers and families. She demonstrated such a scenario by showing a short film that motivated the students not to get addicted and not to accompany those people who are addicted to Drugs. Then after, students along with the present faculties discussed various ideas to create awareness about Drug-De-Addiction and the computer department students proposed App development, the use of sensors, and other various IT solutions for treating Drug Addiction Disorders and helping people to overcome Drug Addiction. In the end, all the students and faculties had taken pledge not to indulge in any kind of Drug Addiction in their life and also motivate others for the same. All the students found this seminar very effective and interactive and all of them participated with great enthusiasm.
