GTU Innovation & Startup Center

Report On

Sensitization program On SSIP

DATE : 15 March 2025

TIME : 9:00 AM TO 10:00 AM

Venue : V.B.Shah college, Amroli , Surat 394107

About SSIP:

Government of Gujarat has developed a policy for providing assistance to Startups/ Innovation. Under this scheme, any individual/group of individuals having innovative idea/ Concept will be eligible and/ or Universities/ education institutions, Incubation Centre/ PSUs/R&D Institutions/Private and other establishments will be eligible as an institution to support and mentor to innovators as approved by Committee. Startups in an economy's technology sectors are an important indicator of technological performance for several reasons.

GTU INNOVATION COUNCIL

Brief Description of the Event:

The SSIP sensitization Program was a dynamic initiative aimed at empowering students with insights into new idea generation, innovation, startups, and the benefits of the SSIP Policy. Led by Mr. Vishal Rathod, the Admin Incubation of GTU Innovation and Startup Centre, Surat. The Sensitization Program organized at V.B.shah College, Amroli for the first year BBA students. The program commenced with a spot line on innovation – the art of translating the novel concepts into valuable products, services, or processes that benefit society. Concepts of startups were explored, unraveling the stages of ideation, validation, execution, growth, and scaling. Participants were inspired to dream big and embrace risk-taking as a core trait of successful entrepreneurs. The students learned to identify problems and map solutions creatively, aligning ideas with market needs. The crux of the program centered on the Student Startup Innovation Policy (SSIP) 2.0, a government initiative fostering innovation and entrepreneurship in Gujarat. Eligibility criteria were discussed, opening doors for any person up to 35 years old. The allure of financial assistance up to INR 2.5 lakh for Proof-of-Concept development and support for IP filing prosecution tantalized students with prospects of realizing their dreams. An enlightening walkthrough of the application and screening process unveiled the path to obtaining SSIP policy benefits. Participants left the program armed with knowledge and a renewed enthusiasm to embark on the entrepreneurial journey.

Major Outcome of the Event: The SSIP 2.0 Sensitization Program successfully instilled a passion for innovation and startups in the mind of students. It nurtured the seeds of creativity and entrepreneurial thinking, encouraging them to contribute to economic growth and leverage the government's supportive policies and initiatives. The program acted as a catalyst for turning ideas into impactful ventures, fostering a culture of innovation that will shape a brighter future.
