AWARENESS PROGRAM-AAZADI KA AMRIT MAHOTSAV
HACKATHON 2022

12/09/2022 (4:00-4:30 pm)

SSIP

A question-answer cum doubt solving session on “**AAZADI KA AMRIT MAHOTSAV HACKATHON 2022**” was organized by SSIP cell, Government Engineering College Godhra on **12th September, 2022**.

The program was conducted as some students were found having some doubts regarding procedural steps and sequences in participating the aforesaid program. Also the deadline for registering in the program (which was on 15/09/2022) was approaching, therefore as a part of creating wide spread awareness among students, their encouragement and necessary planning at institute level this program was organized.

A total of 25 students and all the SSIP team members along with faculty mentors of registered teams of all academic branches remained present in this program.

Program started with SARASWATI VANDANA which was led by female SSIP student coordinators.

The detailed explanation on how students can take benefit by participating in this program was elaborated by Dr. A. J. Patel, Asst. Prof. Physics which was followed by the Q&A and doubt solving session.

The program was concluded with NATIONAL ANTHEM.

As a result of efforts made by the Team GEC-Godhra (including faculty members and students) 14 teams got registered in the AAZADI KA AMRIT MAHOTSAV HACKATHON 2022.
