

Presents

BiQuest

Biotechnology Hackathon

From idea to funding 

December 5th to 7th 2025

On 5th (3 PM) to 7th (1 PM)

Gujarat Biotechnology University
Campus, Gandhinagar

GUJARAT
BIOTECHNOLOGY
UNIVERSITY

Calling all Innovators in Biotech & Machine Learning!

Join us for an intensive 40-hour challenge to develop cutting-edge solutions in biotechnology. This is your chance to turn revolutionary ideas into fundable projects!

Who Should Participate?

Undergraduates, Graduates, PhDs, and Professionals in Biotech, Healthcare, & ML. Teams of up to 3 co-leads encouraged!

Challenge Themes:

[1] General Hospital Technology

[2] Laboratory Technology

[3] Public Health

[4] Other

Why Participate?

- **Direct Path to Funding:** Winning teams pitch to investors!
- **Expert Mentorship:** Learn from industry leaders & doctors.
- **Hands-on Development:** Access to labs & computational resources.
- **Networking:** Connect with peers, mentors, and investors.
- **Portfolio Building:** Create impactful, real-world solutions.
