Subject: Request to Organize Seminar on "Awareness Programme on Student Entrepreneurship"

Respected Sir,

With reference to the subject cited above, various government schemes are supporting student entrepreneurship through fellowships and grant funding. In the current scenario, there is significant scope for students to pursue entrepreneurial ventures, either during their academic tenure or post completion of their studies. Several government initiatives—such as RKVY RAFTAAR, SISFS, PRISM, NIDHI PRAYAS, TIDE, Atmanirbhar Gujarat Fellowship, SSIP 2.0, Srujan, and others—offer financial support and mentorship opportunities that can greatly benefit aspiring student entrepreneurs.

In light of this, we propose to organize an awareness programme to inform and encourage PG students (M.Tech and Ph.D.) about these opportunities.

The details of the programme are as follows:

Title of Seminar: Awareness Programme on Student Entrepreneurship

Date: 13/06/2025

Time: 04:00 to 06:00 PM

Venue: CAET Seminar Hall

Speaker Name: Dr. Chirag S. Matholiya, Assistant Professor, Dept. of FMPE, CAET, JAU

Target Audience: All PG Students (Mtech and Ph.D.) of CAET College

So, I kindly request you to grant permission to organize the said programme. I believe this programme will provide valuable insights and inspiration to students, empowering them to explore and embark on their entrepreneurial journeys. Thank you for your consideration.
