

Event: Expert lectures on “Latest Technologies in IoT”

 **Expert Speaker:** Mr. Parth Gadhiya, Founder & CEO, Memighty PVT LTD, Surat

 **Date:** 13th October 2025

 **Time:** 2:00 to 4:00 PM

 **Venue:** Seminar Hall, Admin Building.

Briefing of Event:

Purpose of the Event

The primary objective of this expert lecture was to expose students and budding innovators to the rapidly evolving landscape of the Internet of Things (IoT). By inviting industry experts and technologists, the session aimed to:

- Provide a comprehensive understanding of next-generation IoT technologies and their real-world applications.
- Bridge the gap between academic learning and industry expectations.
- Encourage young innovators to explore startup opportunities in the IoT domain.

Agenda Highlights

1. Introduction to IoT Evolution
2. Latest Trends & Technologies in IoT
3. Q&A and Interactive Discussion

Key Activities

- **Expert Talk by Industry Professional:**
Detailed presentation on the latest IoT technologies and their impact on various sectors such as healthcare, agriculture, smart cities, and automation.
- **Project Mentorship & Idea Review:**
Experts interacted with students to evaluate their ideas, provide feedback, and suggest improvements.
- **Networking & Knowledge Exchange:**
Students connected with experts for future collaboration on IoT projects or startup guidance.

Conclusion:

The expert lecture on “Latest Technologies in IoT” under SSIP successfully fulfilled its objective of broadening students’ understanding of modern IoT advancements and their real-world applications. The session provided valuable insights into cutting-edge tools, industry trends, and innovation opportunities in the IoT ecosystem.
