To,

Principal,
Dr. S & S. S. Ghandhy College of Engineering & Technology

Subject: Request for permission to arrange Expert Talk **(Under SSIP)** in Computer Engineering Department.

Respected Sir/Madam,

I, Dr. S. M. Gheewala, In-charge Head of the Computer Engineering Department, wish to inform you that as a part of the curriculum as well as under **SSIP (Student Startup Innovation Policy) activities**, we are planning to organize an **Expert Talk** for the students of the Computer Engineering Department.

The details of the session are as follows:

- **Topic:** *"Start Your Own Start-up with Artificial Intelligence"*
- **Speaker:** Mr. Vishal Savaliya, CEO, Laxmisoft Technologies, Surat
- **Date & Time:** 22nd September 2025, at 11:00 AM to 1:00 PM
- **Venue:** Computer Engineering Department, Dr. S & S. S. Ghandhy College of Engineering & Technology, Surat

This expert talk will provide valuable insights into Artificial Intelligence and also guide students regarding entrepreneurial opportunities and starting their own ventures in the field of AI.

We also request your kind approval for providing suitable remuneration/honorarium to the invited expert as per SSIP institute norms.

Therefore, I kindly request you to grant permission to arrange the above-mentioned expert talk for the benefit of our students.

Thanking You.

Event: Start Your Own Start-up with Artificial Intelligence (Expert Talk)

Date: 22/09/2025

Time: 11:00 TO 01:00 PM

Venue: Seminar Room, Admin Building, SSGP, SURAT

Briefing of Event:

Purpose of the Event: The purpose of this expert talk is to provide students with a comprehensive understanding of how Artificial Intelligence can be leveraged to build innovative startups. Through insights from industry expert Mr. Vishal Savaliya, the session aims to inspire students toward entrepreneurship, enhance their awareness of AI-driven opportunities, and guide them on the essential steps involved in transforming an idea into a successful AI-based startup. This initiative aligns with the goals of the curriculum and the Student Startup Innovation Policy (SSIP) to foster innovation, creativity, and practical learning among students.

Agenda Highlights:
- ✓ Welcome & Introduction of the Speaker
- ✓ Overview of Artificial Intelligence and Current Industry Trends
- ✓ How to Identify Problems and Build AI-Based Solutions
- ✓ Steps to Start a Start-up Using AI Technologies
- ✓ Funding Opportunities under SSIP & Start-up Ecosystem
- ✓ Interactive Session / Q&A with Students
- ✓ Felicitation of Speaker & Vote of Thanks

❖ Key Activities:
- ✓ Expert lecture on AI fundamentals and start-up opportunities
- ✓ Real-world examples of successful AI-based ventures
- ✓ Guidance on idea generation, business model development, and execution strategy
- ✓ Discussion on SSIP support, innovation ecosystem, and student start-up pathways
- ✓ Interactive Q&A to clarify students' doubts and encourage participation

Conclusion:

The expert talk is expected to broaden students' perspectives on Artificial Intelligence and its entrepreneurial potential. By interacting directly with an industry leader, students will gain valuable insights, practical knowledge, and motivation to explore AI-based innovations. The session will encourage them to think creatively, develop startup ideas, and actively participate

SSIP

in SSIP initiatives, thereby contributing to a culture of innovation within the department.
