(Organising Student Secretary)

About the Fest

To showcase the technological and artistic capabilities of its students, IIT Surat proudly presents its inaugural technical-cum-cultural event "Spring Fiesta '23". Scheduled from 21st to 23rd February 2023, this event will include workshops, hackathons, contests, sports, and cultural shows. Spring Fiesta '23 is the first-ever offline event of the Institute and is expected to be the greatest offline convention of the year providing all the participants with an opportunity to make the most of these three days. The Sports Fest, Cultural Fest, and Tech Fest are the three main pillars of this event and each of them offers a unique experience to the participants.

About The Institute

Established in 2017 through a Public-Private-Partnership (PPP) mode by the then Ministry of Human Resource Development (MHRD), the Government of India. Indian Institute of Information Technology Surat has earned the reputation of being a center of excellence in the field of Information Technology. The Institute offers B. Tech. degrees in Computer Science, Electronics and Communication Engineering, PhD degrees in Computer Science, Electronics and Communication, Physics, and Mathematics and endeavors to foster the brightest minds with knowledge and real-world experiences in Information and Communication Technologies.

Tech Fest

Tech Fest is a celebration of technology, innovation, and creativity for students and young professionals. Features a Tech Quiz and Programming Challenge. Includes Murder Mystery, CSS Battle, Robo Soccer, and Autonomous Arena for Robots. Participants can showcase their technical skills, network with peers, and learn about new tech.

E-Summit

The E-Summit is an event for students to showcase their entrepreneurial skills, connect with industry leaders, and learn from successful entrepreneurs. The Speaker Session provides valuable knowledge and advice, while the Biz-Quiz tests business knowledge. The B-Plan competition allows students to present their business ideas and receive feedback, and the Pitch It competition helps students hone their pitching skills.

Sports Fest

The Sports Fest will include events such as Cricket, Volleyball, and other physical activities that will test the skills and abilities of the participants. The main aim of the fest is to bring out the best in each student and promote healthy competition and sportsmanship amongst the students. The winners of these events will be rewarded with certificates and exciting rewards.

Cultural Fest

The Cultural Fest is a celebration of music, dance, and other cultural activities that are an integral part of Indian heritage. Participants will get to experience breathtaking dance performances, melodic singing, and other cultural activities. This festival is a perfect opportunity for students to showcase their talents and let their colors fly on the biggest stage.

Musical Night

The Band Performance at the Spring Fest of the Institute is a musical event showcasing talented and reputed musical band of India. The night will be filled with a variety of music genres, including classic rock, pop, and contemporary hits, providing something for everyone. Don't miss out on this exciting night of music and entertainment!
