

Finance Workshop Report

On February 15th, 2023, a finance workshop was conducted by IIIT, Surat under Ruminare (E - cell IIIT Surat) under the SSIP awareness activity. The aim of this finance workshop was to educate students in understanding the Indian Stock market as well as on smartly investing in the Indian stock market.

Session 1: It began with an overview of the stock market and its role in the Indian economy. The

importance of investing in the stock market for long-term wealth creation was explained, along with the risks associated with investing.

Session 2: Different types of investments were then explained, including long-term investing, short-term investing, Intraday trading and option and future trading. The advantages and disadvantages of each type of investment were discussed.

Furthermore, the speakers discussed the various ratios and important points that need to be considered when investing.

After the workshop on February 17th, 2023, a quiz was conducted based on things explained on workshop and it is successfully taken under the supervision of Ruminare (E-Cell, IIIT Surat).

Total: 50 students participated in this awareness workshop.
