About

"**Entrepreneari**" is an annual flagship event of Swarnim Incubation Centre, going to be organized by Swarnim Startup & Innovation University on March 19 2026, at Swarnim Startup & Innovation University Bhojan Rathod Campus.

The event is aimed to foster entrepreneurship, innovation, and networking among startups, particularly women-led ventures. With past engagements of +200 Entreprenearies, the event has witnessed active participation from emerging entrepreneurs, investors, and industry experts.

This year, Shri R.D. Barhatt, Joint Commissioner of Industries, and other eminent personalities are joining us at the success of this event. With the groundbreaking impact of supporting 100+ Entreprenearies, this year we are intending to raise it with our event theme "**Breaking Barriers, Building Businesses**".

This platform allows women entrepreneurs to showcase their ideas, products, and services to a diverse audience, including investors, industry experts, and potential customers. The alongside exhibition promotes visibility, collaboration, and market access for women-led businesses.
