Circular

Subject: Submission of Applications for PoC/Prototype and IP Support under Student Start-up and Innovation Policy (SSIP).

Dear Students & Research Scholars,

We are pleased to announce the commencement of the application process for the Start-up and Innovation Projects: **Proof of Concept (PoC) /Prototype** and **IPR Support** (Intellectual Property Rights support: Patents, Copyrights, Trademarks, Industrial Design, Plant Variety Registry, International Registration of Marks, Semiconductor Integrated Circuits Layout-Design Registry (SICLDR), etc.

The SSIP initiative aims to foster innovation, entrepreneurship and creativity among our students by providing them with the opportunity to undertake innovative projects and transform their ideas into viable start-ups.

Eligibility:

All students and researchers are invited to submit proposals for SSIP & IPR projects. The projects should align with the objectives of SSIP, emphasizing innovation, feasibility, and potential for practical implementation.

Application Guidelines:

- Proposal Submission Deadline: 30/06/2025
- Scrutiny Meeting: 03/07/2025
- Venue: New Conference Room (Admin Building) from 10 a.m. onwards.
- Eligibility: Students & Research Scholars are eligible to apply.
- Funding: Approved projects will receive financial support through the SSIP scheme.

Submission Process:

Interested students and researchers must submit their project proposals to **SSIP@ppsu.ac.in** by the specified deadline. The proposal should include a detailed description of the project, its objectives, methodology, expected outcomes, and a budget breakdown.

Review Process:

PoC/Prototype and IPR scrutiny committee will evaluate the submitted proposals based on criteria such as innovation, feasibility, and potential impact. Shortlisted applicants may be invited for a presentation to further elaborate on their proposals.

Benefits of SSIP:

- ✓ Financial support up to **INR 2.5 Lacs per PoC/Prototype** and **INR 75000 for IPR**.
- ✓ Opportunities for collaboration with industry partners.
- ✓ Mentorship and guidance for project development.
- ✓ Exposure to entrepreneurship and start-up culture.

We encourage all to take advantage of this opportunity to contribute to the culture of innovation and entrepreneurship at P P Savani University.

Your participation is vital in nurturing the creative potential of our students and fostering a spirit of innovation within our academic community. Students can take support of faculty mentors also for their Startup ideas.
