National Medicos Organisation Conference

NMOCON 2026

NMO :

National Medicos Organisation NMO is an organisation of Allopathic MBBS and BDS students and doctors, working since 1977, with the motto of 'स्वास्थ्य सेवा राष्ट्र सेवा: 'Health Service to Nation Service' and the vision to create service oriented nationalist doctors who respect 'गुरु-शिष्य परंपरा' 'Teacher Student Relationship'. To ensure universal health coverage, it works to provide affordable, accessible, quality and sustainable healthcare to the under-privileged, tribal and other vulnerable sections of the society. NMO strives to inculcate moral ethics, empathy, compassion and integrity in the medical and dental fraternity

OBJECTIVES:

1. To work for the all-round welfare and development of the medical profession.
2. To utilize their energy and dissemination of the medical knowledge for solving the various health problems of the downtrodden people of the nation particularly for the rural and tribal people with the help of central and state governments, educational, professional and voluntary and other social organizations.
3. To work for satisfying the basic needs of the medicos and to guide and help them in solving their various problems arising from time to time.
4. To develop national character and discipline among the medicos.
5. To promote constructive activities in social and cultural spheres and utilize medicos' energies in the various nation-building activities.
6. To seek the cooperation and good-will of doctors, educationists, educational and health authorities in the work of the NMO.
7. To promote better teacher-student relationship in medical, dental colleges and Institutes of medical sciences.
8. To promote the academic environment in medical colleges and institutes.
9. To form a common platform on the basis of a common mode of work for all the members of the medical community, viz. students, doctors and educationists for the reorganisation of medical education in the comprehensive context of national reconstruction.
10. To undertake and do whatever is required to achieve affordable, accessible and quality healthcare for everyone.

NMOCON 2026

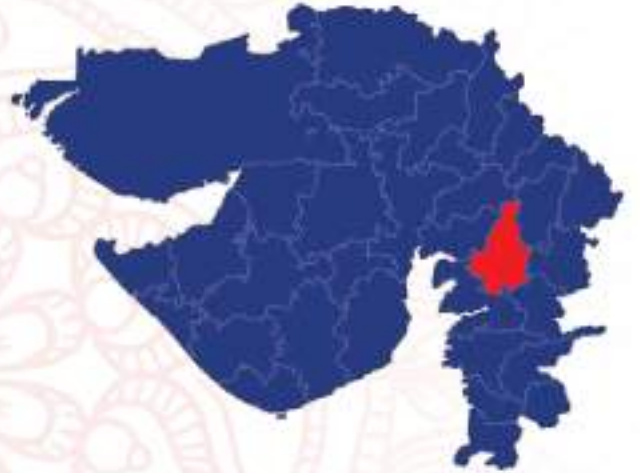

NMOCON :

In keeping with objectives, NMO annually organizes academic conferences in different parts of India with the aim to motivate and educate young doctors to help in the Improvement of Health Services in India by devoting their time and Medical Education for the upliftment of the deprived sections of our society.

Through such endeavours, NMO works to get updates on recent community based healthcare service concepts and highlights the challenges issues of healthcare system. NMO explores the possibilities to address them through Government intervention while providing various opportunities for students to interact with leading professionals, academicians and clinicians. NMOCON 2026 is being organised by NMO, Vadodara Gujarat Prant on March 21-22, 2026 in Baroda Medical College, Vadodara

Who can attend:

1. Allopathic and Dental Doctors
2. MBBS/Dental students (Interns, UG , PG)
