EXPERT TALK

Surface Engineering by using Low Pressure Plasma

Dr. Ramkrishna Rane is working as Scientific officer at Institute for Plasma Research Gandhinagar. He has completed his Ph.D. In experimental Plasma Physics. He has 18 years of experience in the field of plasma surface modifications for different applications. He has published more than 40 research papers, 02 book chapter and 03 patent. His area of interest is plasma diagnostics and plasma based surface engineering.

29th Aug 2022

14.00 IST

Dr. Ramkrishna Rane

Scientific Officer

Institute for Plasma Research(IPR)

Venue Auditorium ,Chemical Building, Government Polytechnic Gandhinagar

Longest Expert Talk Series and National Level Competition
