ABOUT P P SAVANI UNIVERSITY

P P Savani University, a NAAC A+ accredited institution, located in Gujarat, India, is a leading institution committed to excellence in education, research, and innovation. With a strong focus on nurturing globally competent professionals, PPSU offers multidisciplinary programs that integrate academic depth with industry relevance. The university promotes a vibrant culture of inquiry, creativity, and collaboration—supported by modern infrastructure, a distinguished faculty, and global partnerships. PPSU is dedicated to advancing knowledge while upholding the fundamental values of sustainability, inclusivity, and societal responsibility among others.

ABOUT SCHOOL OF SCIENCES

The School of Sciences at PPSU is a center of academic and research excellence, offering cutting-edge programs in Chemistry, Life Sciences, and Environmental Sciences. With a student-centric and research-oriented approach, the School emphasizes interdisciplinary learning and innovation. Faculty members are actively involved in nationally and internationally relevant research projects, combining experimental and computational tools to address scientific and societal challenges. Through strategic collaborations, conferences, and industry engagement, the school is shaping the next generation of scientific leaders.

PURPOSE OF THE EVENT

The International Symposium on Integrated Computational and Experimental Methods for Innovation in Chemistry and Interdisciplinary Sciences (ICEMI-CHEMIS 2025) aims to promote the convergence of computational or theoretical modeling and experimental techniques in chemistry and related fields. The event will provide a global platform for sharing recent advances, fostering collaboration, and encouraging innovation at the interface of chemistry, biology, materials science, and data-driven research.

OBJECTIVES

To facilitate global collaboration and knowledge exchange across experimental and computational sciences via a hybrid platform.

To promote interdisciplinary integration of computational modeling and experimental research for addressing scientific and industrial challenges.

To highlight recent advancements in chemical sciences and interdisciplinary fields such as molecular modeling, green chemistry, catalysis, data-driven research, and environmental sustainability.

To support capacity building for young researchers and students through technical sessions, poster presentations, and interactive discussions.

SCIENTIFIC SCOPE

Theoretical and Computational Chemistry

Quantum Chemistry and Chemical Physics

Computational Toxicology and Drug Discovery

Medicinal and Bioinorganic Chemistry

Green and Sustainable Chemistry

Microbial Chemistry and Metabolic Engineering

Bioprocess Engineering and Industrial Biotechnology

Catalysis and Biocatalysis

Chemoinformatics and Machine Learning

Materials Chemistry and Nanotechnology

Molecular Biotechnology and Genetic Engineering

Inorganic and Organometallic Chemistry

Organic and Biophysical Chemistry

Analytical Chemistry and Spectroscopy

Polymers and Soft Matter

Energy Materials and Devices

Biopharmaceuticals and Molecular Modeling

Environmental Chemistry

DISTINGUISHED SPEAKERS

PROF. KUNAL ROY
Professor & Former Head
Department of Pharmaceutical
Technology
Jadavpur University, Kolkata,
India

**PROF. TANMOY
CHAKRABORTY**
Registrar
SVKM's Narsee Monjee Institute of
Management Studies (NMIMS),
Mumbai, India

**PROF. PONNADURAI
RAMASAMI**
Department of Chemistry
Faculty of Science
University of Mauritius, Mauritius

DR. SANDEEP CHAUDHARY
Associate Professor & Head, and
Former Dean
Department of Medicinal Chemistry
National Institute of Pharmaceutical
Education and Research, Raebareli
(NIPER-R), Lucknow, India

DR. ITI GUPTA
Professor
Department of Chemistry
Indian Institute of Technology
Gandhinagar (IIT-GN),
Gandhinagar, India

DR. JOHN THOMAS
Associate Professor
Centre for NanoBiotechnology
Vellore Institute of Technology
(VIT), Vellore, India

**PROF. IGOR
KUZMANOVSKI**
Professor
Institute of Chemistry
Faculty of Natural Sciences and
Mathematics, Ss Cyril and Methodius
University of Skopje, Skopje, North
Macedonia

**DR. CHINTAN
DHOLAKIA**
General Manager - ADL
Zybus Lifesciences, Vadodara,
India

SESSIONS

KEYNOTE LECTURES | INVITED TALKS | ORAL & POSTER PRESENTATIONS

HIGHLIGHTS

Eminent speakers from academia, industry, and research organizations

International and interdisciplinary expert sessions

Technical sessions bridging experimental and computational areas

Hybrid mode of participation

Oral and Poster presentations

Opportunities for collaboration and knowledge exchange

Affordable registration with wide reach and accessibility

Certificate of participation for all registered attendees

Recognition for best oral and poster presentation in student/researcher categories

WHO SHOULD ATTEND

- UG/PG Students
- Faculty & Researchers
- PhD Scholars
- Industry Professionals

CALL FOR ABSTRACTS

We invite original research abstracts for poster presentations from students, research scholars, academicians, and industry professionals across chemistry and allied interdisciplinary domains.

IMPORTANT DATES

ABSTRACT SUBMISSION DEADLINE:

23rd August 2025
