

Innovation Club Orientation & SSIP Sensitization Program

Organized by Maa Devmogara Government Vinayan College, Uchhal – District Tapi

Date: 30/07/2025

About the Program

The "Innovation Club Orientation and SSIP Sensitization Program" was organized to inspire students towards creativity, innovation, and entrepreneurship. The event aimed to spread awareness about the Innovation Club activities and the Student Startup and Innovation Policy (SSIP), encouraging young minds to develop impactful solutions.

Program Highlights

- Introduction to **Innovation Club** concepts
 - Detailed overview of **Student Startup and Innovation Policy (SSIP)**
 - Guidance on **Proof of Concept (PoC)** development
 - Information on **Intellectual Property Rights (IPR)**
 - Understanding **Pre-incubation Support**
 - Live examples of innovations relevant to rural and tribal communities
-

Expert Guidance

Dr. K. R. Bhatt

Hon. Principal - Provided overall guidance and encouragement to the participants.

Prof. Pradeep M. Vasava

SSIP Coordinator - Delivered an insightful presentation on the SSIP framework. - Explained funding opportunities, mentoring support, and startup registration. - Demonstrated how students can transform ideas into prototypes and startups.

Student Opportunities Under SSIP

- Financial assistance at every stage: **Idea → PoC → Prototype → Startup**

- Access to **mentorship** and **technical support**
 - Opportunities for **innovation fund** support
 - Guidance for **startup registration & incubation**
-

Participation

The program witnessed enthusiastic participation from: - All faculty members - A large number of students across departments

Participants appreciated the efforts under SSIP and expressed interest in more such awareness programs.
