The Principals/Directors of GTU Affiliated Colleges

Smart India Hackathon (SIH) is a premier nationwide initiative designed to engage students in solving some of the most pressing challenges faced in everyday life. Launched to foster a culture of innovation and practical problem-solving, SIH provides a dynamic platform for students to develop and showcase their creative solutions to real-world problems.

Since its inception, SIH has garnered significant success in promoting out-of-the-box thinking among young minds, particularly engineering students from across India. The hackathon not only offers students an opportunity to showcase their skills but also encourages collaboration with industry experts, government agencies, and other stakeholders.

This time SIH 2025 has specified 101 problem statements from different themes. (Ref: <https://www.sih.gov.in/sih2025PS>)

As a proud winner of SIH 2024, Shri K. J. polytechnic, Bharuch registered as SPOC is organising Internal Hackathon on Saturday **20th Sep 2025** in offline mode. Last Date of Registration in Internal Hackathon is **17th Sep 2025**.

Rules of Internal Hackathon

1. All team members must be from the same college (no inter-college teams)
2. Each team consists of 6 members. Atleast 1 female member is mandatory.
3. It is recommended to make multidisciplinary teams.
4. The team name should be unique and must not contain the name of your institute in any form.
5. Each team will have atleast 1 mentor from the industry or academia.
6. College photo ID and Consent letter copy is mandatory for participants of other colleges.
