AI DEMO NIGHT: LIVE STARTUP DEMOS & Q&A

25 JULY
2025

6:00 - 8:00 PM (IST)

Room 107, University Centre
Central Campus

An evening of live demos, insights, and networking where 10 AI startups showcase working prototypes. Connect with peers, mentors, researchers, and investors to explore real-world AI innovation.

- Live demos by 10 early-stage AI startups
- Real-time feedback from experts and peers
- Practical applications of AI across diverse sectors
- Open Q&A with founders and product builders
- Networking with students, founders, and enablers
