Live Action Projects @ Anant: Team Apple Vibe- The Healthy Products, is working with Aarambh Incubation Centre to create quality products out of underutilised apples from Kashmir

Anant Fellows, Kunal (@kunal.pawar__), Kunga (@kd_yokma3) and Soelim (@aasim_khan102), are transforming underutilised, low-grade apples from Kashmir into nutritious products like apple-based cookies. Their project aims to create a sustainable snack ecosystem that supports local farmers, reduces agricultural waste, and adds value to overlooked produce. By producing affordable, fibre-rich, and protein-
