SSIP Sensitisation Session

Government Commerce College, Jamnagar
Date: 25th September 2026

A highly impactful SSIP Sensitisation Session was successfully conducted on 21 September 2026 at Government Commerce College, Jamnagar. The session was led by the college's SSIP Coordinator, Dr. D. M. Chandravadiya. The primary objective was to introduce first and second-year undergraduate commerce students to the Gujarat government's Student Startup and Innovation Policy (SSIP), demystify the concept of entrepreneurship, and ignite an innovative mindset. The event witnessed enthusiastic participation and successfully laid a strong foundation for fostering a culture of startup thinking among the student community.

The Government of Gujarat's SSIP initiative is a pioneering framework designed to create a vibrant ecosystem of innovation and entrepreneurship within higher education institutions. As part of this mission, Government Commerce College, Jamnagar, is committed to sensitizing its students to the vast opportunities beyond conventional career paths. This session was strategically organized at the beginning of the academic year to capture the interest of new students and guide them towards leveraging SSIP support for their entrepreneurial aspirations.

A highly impactful SSIP Sensitisation Session was successfully conducted on 21 September 2026, at Government Commerce College, Jamnagar. The session was led by the college's SSIP Coordinator, Dr. D. M. Chandravadiya. The primary objective was to introduce first and second-year undergraduate commerce students to the Gujarat government's Student Startup and Innovation Policy (SSIP), demystify the concept of entrepreneurship, and ignite an innovative mindset. The event witnessed enthusiastic participation and successfully laid a strong foundation for fostering a culture of startup thinking among the student community.

The SSIP Sensitisation Session on 21 September 2026, successfully achieved its goal of planting the seeds of entrepreneurship and innovation among the commerce students at Government Commerce College, Jamnagar. The insightful guidance provided by Dr. D. M. Chandravadiya has empowered students with the knowledge and confidence to embark on their entrepreneurial journeys.

The sensitisation session was designed with the following key objectives:

- To inform students about the various funding opportunities, mentorship, and incubation support available through SSIP.
- To create awareness about SSIP and its benefits for students.
- To encourage students to register with the SSIP portal and engage with the college's SSIP Cell.
- To shift the mindset from being a job seeker to a job creator.
- To explain the process of idea generation, validation, and prototype development.

Vote of Thanks Delivered by Dr. Mehul R. Solani, A special word of thanks to my dear colleagues and faculty members, whose hard work and coordination behind the scenes ensured the seamless execution of this event. Your dedication to our students' holistic development is truly commendable. The most important part of any such session is its audience. A big round of applause and heartfelt thanks to our dear students. Your enthusiastic participation, attentive listening, and thoughtful questions are what give purpose to such gatherings. We saw the future in your curious eyes today, and we are confident that you will carry the lessons from this session forward.
