Report on SSIP Sensitization Program :

Government Science College, Bagasara successfully organized an online Student Sensitisation Program on "Building a Proof of Concept (PoC) & Prototype" on 29 July 2026 from 3:00 PM to 4:30 PM under the SSIP 2.0 initiative. The resource person for the programme was **Ms. Arati Patel, Associate Manager, HE PMU SSIP 2.0 – KCG**, who delivered an informative online session on transforming innovative ideas into Proof of Concept (PoC) and prototypes.

Before the commencement of the online session, Mr. P. B. Dodiya, SSIP Coordinator, and Dr. G. K. Rathod, SSIP Co-Coordinator, briefed the students about the objectives and significance of the sensitisation programme. They emphasized the importance of innovation, prototype development, and the opportunities available to students through SSIP 2.0.

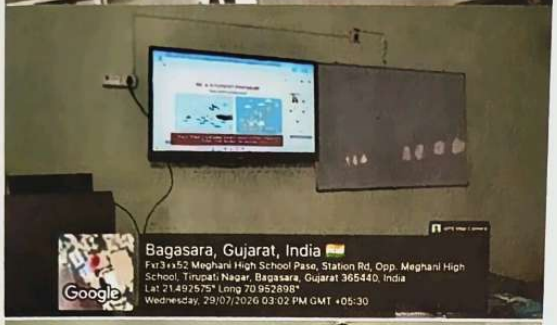

During the session, Ms. Arati Patel explained the concept of Proof of Concept (PoC), the stages involved in prototype development, and the process of converting innovative ideas into practical solutions. She also highlighted the support and funding opportunities provided under SSIP 2.0 for student innovators. The session was highly interactive and motivated students to think creatively and develop innovative projects.

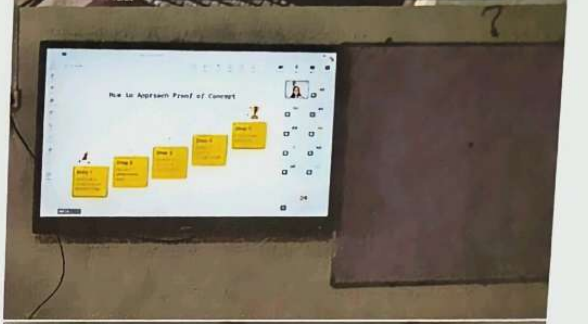

A total of 19 students actively participated in the sensitisation programme. The participants gained valuable knowledge about innovation, entrepreneurship, and the process of developing successful prototypes. The programme concluded with a vote of thanks, expressing gratitude to the resource person for her insightful session and to all the participants for their enthusiastic involvement.
