Report on SSIP Sensitization Program :

The **SSIP (Student Startup and Innovation Policy) Sensitization Program** was organized on **05 August 2026** at **Government Science College, Bagasara** with the objective of creating awareness among students about innovation, entrepreneurship, and the opportunities available under the SSIP initiative. The program was conducted under the guidance of **Principal Dr. R. P. Bhatt**. The event was coordinated by **SSIP Coordinator Mr. P. B. Dodiya**, with the support of **SSIP Co-Coordinator Dr. G. K. Rathod**.

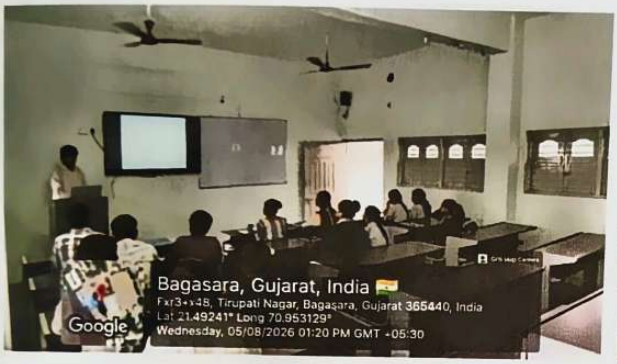

The keynote session was delivered by **Mr. P. B. Dodiya**, who introduced students to the vision and objectives of the Student Startup and Innovation Policy. He explained the importance of innovation in addressing real-world challenges and encouraged students to develop creative ideas with practical applications. The speaker also provided detailed information about the process of idea submission, prototype development, mentorship opportunities, financial assistance, and incubation support available under SSIP.

Students actively participated in the interactive session by asking questions and discussing innovative ideas. The program motivated them to think creatively and inspired them to explore entrepreneurship as a potential career path. The sensitization program proved to be highly informative and successful in fostering an innovation-driven mindset among students and encouraging them to actively participate in SSIP initiatives.
