### **Details:**

Krishna Centre of Startups & Entrepreneurship, Drs. Kiran & Pallavi Patel Global University (KPGU), Vadodara in collaboration with i-Hub, A Gujarat Govt. Initiative has organized workshop for faculty members and mentors of Gujarat on Student Startup & Innovation Policy 2.0, Student Innovation and Start-up Index (SISI) and Mind to Market Innovation Challenges of i-Hub .

The workshop was conducted under the guidance of Hon.Provost I/C Dr. A.K Saluja Sir. The Directors & faculty members of all Constituent Schools of KPGU actively participated and provided their inputs for creating students and startups centric innovation & incubation ecosystem through maximum participation of all.

The faculty members from outside campus joined the workshop through online mode.

The following points were discussed about Student Innovation and Start-up Index (SISI)

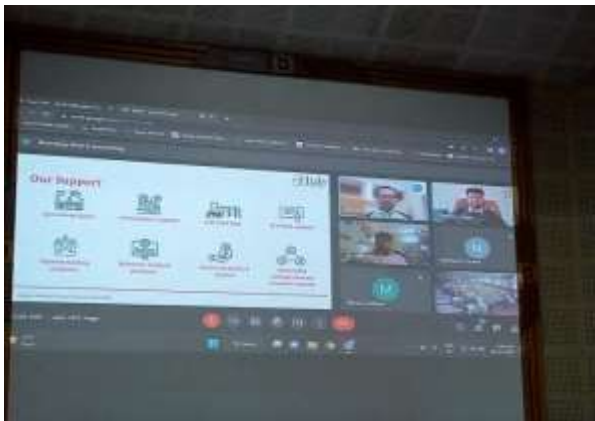

- Benchmarking will enable all the educational institutions to continuously progress and track their year-on-year performance in supporting innovation and startups.
- Develop a competitive and collaborative spirit in the educational institutions to boost their institutional startup ecosystem.
- Building the overall innovation capability of the state together involving efforts across academia.
- Measure the impact created by the educational institutions in the state through innovation and entrepreneurship.
- Promote students to stimulate and grow their entrepreneurial mindsets.

The purpose of sessions from i-Hub, A Gujarat Government Initiative, was to promote future innovation and to reduce the gap between industry and students by finding solutions to industry problems.

The following aspects were discussed by Expert Speakers from i-Hub.

1. GUVNL Problem statements
2. NTPC Problem statements
3. SISI Index
4. Standard Operating Procedure for Mind to Market Innovation Challenges of i-Hub
5. Standard Operating Procedure for Startup Surjan (Prototyping support to early stage startups from i-Hub)
