THINK SMART, HACK SMARTER WITH INTELLIFY

Vision:

Our vision for the Intellify Hackathon is to inspire and empower the next generation of tech leaders by providing them with a platform to explore the latest trends in Data Science and IoT, and to foster creativity, collaboration, and innovation.

Mission:

Our mission is to create a dynamic and engaging competition that challenges college students to think outside the box, work with cutting-edge technology, and develop innovative solutions to real-world problems. We aim to provide participants with access to expert mentors, industry professionals, and valuable resources that will help them build their skills, network with like-minded individuals, and gain valuable experience.

i-Internet of Things (i-IoT)

Data Science

Mechanical

Automobile
