Event details:

- Celebrating Student startup research and innovation festival on 11th OCT 2022.
- Under the theme of “**Azadi Ka Amrut Mahotsav**”, Govt. polytechnic Ahmedabad celebrated Student startup research and innovation festival on 11th OCT 2022. The program was basically organized to enlighten students regarding vision, mission and goals of the SSIP 2.0 policy for its effective implementation.
- In this program more than 500 students participated in dual mode offline and online. The entire program was thoroughly streamed using face-book live <https://www.facebook.com/GPAHFfamily> to cover large audience. Apart from that Principal Shri B J Iyer, Chief guest Shri Kashyap Jani (General Secretary, BJP wing), Invited expert Dr Dhara Thakor (Head, Arambh Incubation Center) and HODs of all department festooned the event by their warm presence.
- Under the guidance of our Honorable education minister Shri Jitubhai Vaghani, all universities and colleges of the state were to celebrate the festival during 17th SEP 2022 to 15th OCT 2022 under the theme of “**Azadi Ka Amrut Mahotsav**”.
- All alumni students who had been winners in different state or national level events like Hackathon, Paykathon, Ideathon, Gaganyan etc. were honored by certificates, medals and prizes by Principal and invited guests. Om bhavsar was specially honored for filing patent on “Sun aqua water filter”.
- All students were not only sensitized but motivated too for reaping benefits of the policy in all aspect including monetary part.

Benefits

- All upcoming students will be inspired for their contribution in field of innovation by proposing creative solution to contemporary challenges.
- Students will be motivated to perform better in their project work.
- Participation in external events is expected to rise after such events.
- Innovative idea would be pre-incubated, incubated, mentored and nurtured throughout his/her academic journey.
- Alumni students as well as under privileged students from surrounding areas will be motivated to take benefit of the same.
