

REPORT

SENSITIZATION PROGRAM ON SSIP 2.0

Our institute – Government Polytechnic Ahmedabad organized a “Sensitization Program” on “Student Startup and Innovation Policy 2.0 - as a part of its IIC/SSIP 2.0 calendar activity and as well as part on behalf of G20 celebration activities ” in collaboration with i-HUB, Gujarat. on 1st February 2023. The session is also conducted as a part of “Sensitization Activity” of i-HUB, Gujarat.

The objectives of the session were –

- To make Students aware about vision, mission, and goals of the policy SSIP 2.0.
- To make students aware of start-up opportunities in India and government policies, aids, and schemes for helping and nurturing of start-ups.
- To motivate students by providing examples of various successful start-ups nurtured by i-HUB, Gujarat.

The session started at 11:30 AM in the augustus presence of Shri. B. J. Iyer Sir – Principal, Government Polytechnic Ahmedabad, Shri Yash Pandya, Sr. Incubation Manager, i-HUB, Gujarat., Ms. Megha Gajjar – Incubation Manager – i-HUB, Gujarat, Dr. M S Prajapati - President IIC-GPA, other IIC-GPA/SSIP-GPA faculty members along with other departmental faculty members and students.

Prof. Samir Raval – Co-Ordinator, SSIP-GPA initiated the event by welcoming of Shri. B. J. Iyer – Principal – Government Polytechnic Ahmedabad and Invited experts. Respected Principal sir accompanied with a brief word of appreciation and motivation for faculties and staff involved in organizing these activities. The session was succeeded by the talks of invited expert Shri. Yash Pandya and Ms. Megha Gajjar. The invited experts emphasized upon the needs and roles of start-ups in building a nation’s economy. They touched upon the importance of start-ups in finding solution for various societal problems. The experts then touched upon the achievements and outcomes of the previous SSIP 1.0 policy. After that, the students were acquainted with SSIP 2.0 policy documents, its mission, vision and various financial aids and budget allocation by the government. The experts informed the students about the roadmap and goals of SSIP 2.0 policy. The students were also informed about the current start-up scenario of India and how SSIP 2.0 is going to play an important role in building sustainable national economy in the future. The experts performed an activity of idea generation of students followed by brief explanation and expression of ideas by the students. The panel of invited experts and faculty members listened to the student’s ideas and provided with their precious feedbacks. There was an overwhelming participation of students in this activity.

The thanksgiving of the guests was done by giving memento as a token of appreciation. The session concluded at 1:30 PM with the concluding remarks by respected Principal Sir followed by brief vote of thanks by IIC President.

In total 79 student participants and 15 faculty members attended the session.
