Objective of Event	To explore the knowledge of students in the field of space science and to encourage students to research in space technology.
Name of Department	EC, Mechanical, Electrical, Computer, Bio-medical
About event	The Department of Space, as the inheritor of the legacy of Dr. Sarabhai, the doyen of Indian Space Programme has dedicated its efforts to bring the benefits of space technology by developing and deploying satellite communications and earth observation systems which can enable and assist environment friendly and socially equitable development. India has firmly progressed step-by-step in this direction ever since it was given a go ahead by the Government of India. Vikram Sarabhai Space Exhibition (VSSE) is housed at Ahmedabad, which happens to be the hometown of Dr. Sarabhai.

	This exhibition is an attempt to share with the general public our achievements, hopes and concerns through the media of working models, live panels, static displays, the 3D theater and the interactive multimedia presentations. Come and be a part of us and help us through your comments and appreciation. To the youth, we hope this exhibition will act as an incentive to join us in this adventure.
