

GOVERNMENT ENGINEERING COLLEGE – DAHOD

IIC, GIC & SSIP 2.0 CELL

REPORT

“Idea Generation for Innovations & Startups”

A seminar on “Idea Generation for Innovations & Startups” was organized on 17th February, 2023 (Friday), from 4.00 PM to 5.30 PM under the aegis of IIC, GIC & SSIP 2.0 Cell of Government Engineering College Dahod. Here, 51 students which includes students of Government Engineering College Dahod & Government Polytechnic, Dahod and 19 faculties of Government Engineering College Dahod have participated in the event.

The session started by welcoming all the participants by the student anchors and the guests have been facilitated with flowers by event coordinator Prof. J. M. Patel. Then the event was inaugurated by lighting of the lamp by Principal (in-charge) Dr. P. B. Tailor, Speakers Dr. Y. M. Makwana, Prof. J. M. Patel and Dr. M. K. Chudasama. Then the first session was started by the Dr. Y. M. Makwana who has been awarded the President Gold Medal for his PhD thesis at IIT, Roorkee. He explained the meaning of Innovation and Idea generation for various technical innovations and it was very well received by the participants. The process of initiation of idea to research was illustrated with examples by the presentation. Dr. Y. M. Makwana has shared his journey as an innovator with the participants and it was appreciated by the participants. It was also discussed that how innovations experiences help in career building by the speaker Dr. Y. M. Makwana.

After a short tea break, the second session was started by Dr. M. K. Chudasama. HE briefly explained about startup ecosystem and importance of idea generation at academic level. Different techniques of idea generation like Brainstorming and SCAMPER technique were discussed at length with suitable examples. Awareness about IIC and various activities under IIC was also discussed. It was also explained to the students that for the problem solutions, they will get various mentorship and financial support through SSIP 2.0. The event was concluded by event coordinator Prof. J. M. Patel by thanking all the faculties and student participants for attending the event enthusiastically. The event was ended by the national anthem.
