

## GOVERNMENT ENGINEERING COLLEGE, VALSAD

### Report on

### Celebration of World Ocean Day 2023

## **Ocean Economy sustainability through Awareness & Innovation**

**Venue: B -201, Seminar Hall, Government Engineering College, Valsad**

**Date: 08-06-2023**

**Coordinator: Dr. K. L. Mokariya, SSIP coordinator of Institute**

#### **Introduction:**

World Ocean Day is celebrated globally on June 8th each year to raise awareness about the crucial role oceans play in sustaining life on Earth. On June 8th, 2023, Government Engineering College (GEC) Valsad organized a remarkable event to commemorate World Ocean Day. The event featured an expert talk by Bhairavi Joshi from Trayam Foundation and Dr. K. L. Mokariya, Head of Electrical Engineering Department, GEC Valsad with an inaugural speech by Dr. V. D. Dhman, the college principal. The arrangements for the event were meticulously handled by Dr. Rajesh Malan.

#### **Event Details:**

The World Ocean Day celebration at GEC Valsad commenced with an inaugural speech by Dr. V. D. Dhman. He emphasized the significance of oceans and the urgent need to protect and

conserve them for the well-being of our planet. His speech set the stage for the rest of the event, inspiring the audience to take action and become advocates for ocean conservation.

Following the inaugural speech, Bhairavi Joshi, Trayam Foundation an esteemed expert in marine biology and conservation, took the stage. She delivered an enlightening talk on the importance of ocean ecosystems, the threats they face, and the steps individuals and communities can take to protect and preserve them. Ms. Joshi's expertise and engaging delivery captivated the audience, leaving them motivated and informed about their role in safeguarding the oceans.

Smt. Chaitali Rajput, an Innovator and Artist is also a actively contributing environmentalist by her skill of making best products from west materials. He also briefed the students regarding her activities especially related to environment and Ocean cleanliness.

Dr. K. L. Mokariya, joined the event as the second speaker. He provided insights into the impact of human activities on the oceans, including pollution, overfishing, and climate change. Dr. Mokariya highlighted the interconnectivity between oceans and other ecosystems and stressed the need for sustainable practices to mitigate further damage to marine environments.

#### **Arrangements:**

The event's organization and logistics were skilfully managed by Dr. Rajesh Malan, who ensured a seamless and successful celebration of World Ocean Day. Dr. Malan handled various aspects of the event, including venue preparation and technical arrangements. Their efforts contributed to a smooth flow of the program, allowing attendees to fully immerse themselves in the enlightening discussions.

#### **Outcome:**

The World Ocean Day celebration at Government Engineering College, Valsad, proved to be a thought-provoking and inspiring event. The expert talks by Bhairavi Joshi and Dr. K. L. Mokariya shed light on the importance of ocean conservation and educated the audience about the challenges and solutions surrounding this critical issue. By fostering awareness and

understanding, this event played a crucial role in motivating individuals to protect and preserve our oceans for future generations.
