The Online webinar session was organized by the Institution's Innovation Council (IIC) of Parul University in association with the Entrepreneurship Development Centre (EDC) **on the occasion of the World Intellectual Property day organised “Webinar on IPR Awareness and IP management for start-up” on 26th April, 2023** for the students of Parul University. The session was taken by **Mr.Korra Praveen, IP Patent agent and Examiner of IP and Patent office Mumbai.**

The introductory session was taken by the speaker. In this session, a complete introduction on intellectual properties, intellectual property laws & their clauses. In this session, the students were taught about the Intellectual Property Rights & their principles. He informed gathering that the day is celebrated to raise awareness of the impact of how patents, copyright, trademarks and design affect our daily life.

Also the students were given enough information about how to use this knowledge to proceed forward in a startup company. Also they have been taught how to use intellectual property laws in case of injustice and the legal options available in Indian judicial system.

Complete information on intellectual properties like patent, copyright, trademark, design, trade secret etc was given. Also the speaker explained the difference between these topics, also the validity for each right, judicial law available under each right & the limitations of each right.

Mr. Naveen also highlighted on types of patent, need for filing the patent by the academicians. He stressed on converting the final year project into a valuable product and need to file the patent. He also briefed about how to file a patent on the innovative product developed by an individual person.

The faculties and students participated in large numbers and interacted with the resource person.

Glimpses of the online session

This screenshot shows a presentation slide titled "Types of Intellectual Properties". The slide features a central graphic of a lightbulb with a brain inside, held by two hands. Surrounding this central graphic are five categories of intellectual property, each with an icon and a label: Patents (magnifying glass icon), Designs (bottle icon), Trade Marks (Apple logo icon), Copy Rights (copyright symbol icon), and GI Tags or (Geographical Indications) (location pin icon). The slide also includes logos for Intellectual Property India and NIPAM. The presentation is being viewed in a Zoom meeting interface, with a sidebar on the right showing the names of participants: Mr. Praveen Korra, Examiner of Patents and Designs, Pa; Hutesh Prakash Baviskar; and Hutesh Prakash Baviskar. The meeting controls at the bottom include Unmute, Start Video, Participants, Share Screen, Chat, Record, Raise Hand, Settings, More, and End.

This screenshot shows a presentation slide titled "Copyrights & Related Rights". The slide contains a bulleted list of points regarding copyright and related rights. The text is as follows:

- The owner of copyright has rights not only in the original work, but also in creative work that is derived from the original work,
- e.g. its translation or adaptation or the enactment or production of a film based on the original work.
- Such rights relating to a copyright are called related rights.
- There are neighbouring rights on copyright, which protect performances of performing artists, phonograms and broadcasts.
- Related rights and neighbouring rights are terms used interchangeably.

The slide also includes logos for Intellectual Property India and NIPAM. The presentation is being viewed in a Zoom meeting interface, with a sidebar on the right showing the names of participants: Mr. Praveen Korra, Examiner of Patents and Designs, Pa; Hutesh Prakash Baviskar; and Hutesh Prakash Baviskar. The meeting controls at the bottom include Unmute, Start Video, Participants, Share Screen, Chat, Record, Raise Hand, Settings, More, and End.
