### Objective:

The session's objective was to encourage students to know more about Entrepreneurship and Entrepreneurship and Development Centre, Parul University.

### Activity Details:

On 4<sup>th</sup> May, 2023 EDC sensitization has been arranged by Chemical Science Department on the topic (Empowering Entrepreneurs: A Campaign for Sensitization and Skill-building) for Students. The organizing session aimed to provide knowledge on Entrepreneurship that typically covers various topics such as the importance of entrepreneurship, the entrepreneurial mindset, identifying business opportunities, developing a business plan, funding options, marketing strategies, and legal and regulatory issues. The session also covered practical aspects of starting and growing a business, such as securing funding from investors or lenders, creating a marketing plan, managing finances, and navigating legal and regulatory issues. Case studies and examples of successful entrepreneurs may also be shared to inspire and motivate participants. Empowering Entrepreneurs: A Campaign for Sensitization and Skill-building session aimed to equip participants with the knowledge and skills needed to start and grow successful businesses.

### Glimpses of activity:

### Outcome:

The outcomes of the session include increased awareness and understanding of entrepreneurship, the identification of business opportunities, the development of a business plan, and the formation of new networks and partnerships among participants.
