<p>Summary-</p> <p>This Is A Carpet Bombing Method Wherein We Sensitise Students And Faculties From Different Domains In L.J University. This Is One Of The Strongest Sensitisation Tool As Far As Internal Sensitisation Is Concerned. Since 2021, We Have Sensitised Over 1000 Students And 70+ Faculties, Which In Turn Has Resulted In The Present Projects That We Have.</p> <p>Dr. Viral Shah, CEO of Antrapreneur The Business Incubator addressed the audience with different initiatives of innovation and entrepreneurship history of LJ. He emphasized the example of Mokshshil by our in-house faculty from LJ Institute of Management Studies, Ms. Bilwa Desai. The success story of Quick Pick which has been curated up to the stage of "Finished Product" was displayed and discussed. The problem-to-startup process was discussed at different events and support was provided by the Incubation center at LJ. The students were informed about the Government schemes for startup foundation and development. Mr. Ankit Mehta a perfumery expert shares a glimpse of his journey and the struggle he faced as his entrepreneurial path contained many big companies as a competitor.</p> <p>We conducted an on-the-spot problem identification activity, where students came up with different problems and tentative solutions to them.</p> <p>We briefed them about the problem submission form which we have designed to create an idea pool.</p>
