SSIP Awareness Program July-2023

SSIP Unit

25/07/2023

In order to sensitize the college students about the Student Start up & Innovation Policy SSIP-2.0, a SSIP Awareness Program was organized at Government Science College, Limkheda on 24th July, 2023.

Assit. Professor Mayank L Damor, Institute SSIP Coordinator delivered a talk about the importance, benefit and usefulness of the Policy. Students were also made aware of the various topics like innovations , start up made by different students/persons around the state and nation. Brief description of step-by-step process from Mind to Market was given and the importance of patent/IPR was highlighted. The event was thoroughly supported by College Principal and all the college faculties. Total 21 students of College attended the awareness program were sensitized about Jobs Vs Start Ups. Students were asked to observe around their neighbourhood, identify an existing problem and an idea to solve the problem.

They were also informed about the various websites and upcoming events related to SSIP and innovation planned at various levels.
