

## REPORT

### EVANGELISE '23 ROADSHOW

**Event Date:** 28.07.2023

**About the event:**

The EVangelise '23 Roadshow, organized by iCreate and ASHINE on July 28, 2023, provided information about EVangelise '23, India's biggest Electric Vehicle Innovation Challenge. The event brought together EV stakeholders, including innovators, industry professionals, investors, and policymakers. It served as a unique platform for collaboration, innovation, and growth within the rapidly growing EV industry. The roadshow offered exceptional opportunities for networking, knowledge sharing, and strategic partnerships, contributing to the shaping of the future of the EV industry in India.
