

GOVERNMENT ENGINEERING COLLEGE DAHOD SSIP CELL

REPORT

“Awareness seminar on SSIP 2.0 at St. Mary’s School, Dahod”

An awareness seminar on SSIP 2.0 at St. Mary’s School, Dahod was organized on Wednesday, 22nd August, 2023, from 9.00 AM to 10.00 AM under the aegis of SSIP Cell of Government Engineering College Dahod. Here, 142 participants which includes students of St. Mary’s School Dahod have participated.

The session started by welcoming all the participants by Dr. D. B. Jani. Then the session was handed over to the speaker Dr. M. K. Chudasama. He has explained what is innovation and how SSIP 2.0 will help the school students in nurturing the innovative ideas. He also encouraged the students to participate in various events to shape their career and achieve their career goals. He has also described the nature of problem statements and explained that solution of such problems needs interdisciplinary knowledge. The team building is required for approaching any problem.

Then presentation on SSIP 2.0 was done and various aspects along with salient features of SSIP 2.0 were discussed by SSIP coordinator Dr. M. K. Chudasama. It was also explained to the students that for the problem solutions, they will get various mentorship and financial support through SSIP 2.0.

The photographs of the event are attached here for reference.
